2. We shall be - hold Him, whom not seen we love ;

Our times of con - flict, grief, and suf - fring here ;
We shall be with Him, whom we long to see ;

Our night of weep - ing end in cloud-less day,
We shall be like Him, fit for realms a - bove,

13
And sor-row's mo-ment like a dream ap - pear :
With Him, and like Him, for e - ter - ni - ty :

E - ter - ni - ty with Je - sus — in the skies — How
Is now to sit at Je - sus' feet our choice? How
