

## A Holy Father's constant care

(MARYTON, L.M.)

$\text{♩} = 80$

1. A Ho - ly Fa - ther's con - stant care  
 2. Takes ev - er know - ledge of our state,  
 3. O won - drous love ! that ne'er for - gets

Keeps watch, with an un - weary - ing eye,  
 What dims com - mun - ion with His love,  
 The ob - jects of its ten - der care ;

To see what fruits His chil - dren bear —  
 Might check our growth, or se - pa - rate  
 May chas - ten still, while sin be - sets,

Fruits that may suit their call - ing high ;  
 Our hearts from what's re - vealed a - bove.  
 To warn and guard them where they are :

4. Yet ne'er forgets, but feeds them still  
With tokens of His tender love ;  
Will keep till, freed from every ill,  
They find their rest with Him above.
